

## THANK YOU FOR YOUR INTEREST IN PENN'S VILLAGE

All Villagers, Neighbors, Contributors and Volunteers may attend our distinctive educational, cultural and social programs.

Information from our list of member-recommended neighborhood resources such as electricians and home care providers is available to Villagers, Neighbors and Volunteers.

## CHOOSE YOUR PARTICIPATION LEVEL

**Villagers:** Villagers pay an annual fee of \$600\* per household and may receive volunteer provided services, up to three per week, such as transportation, errands, friendly visits, access to Health Pals, participation in interest groups, may attend programs and social events, and gain information from our preferred-provider list. An in-person interview is required for all Villager applicants. To learn more about the wide-ranging services available to Villagers, visit our [Member Services Page](#).

**Neighbors:** pay an annual fee of \$200\* per household to support Penn's Village as a vital community resource and they may join an interest group, may attend programs and social events, obtain information from our preferred-provider list, and may request two (2) one-time volunteer provided services during their membership year.

**Contributors:** pay a basic annual fee of \$100\* per household and may attend programs and social events.

\* Through donations and other gifts we are able to provide reduced rate membership fees based on annual income, to individuals for whom the cost of membership would be a hardship. For more information please email [info@pennsvillage.org](mailto:info@pennsvillage.org) or call 215-925-7333.

Donations over and above these annual participation levels are appreciated.

If you are interested in volunteering, a Volunteer Application is available on the website.
